PROFILE

I am a third-year Computer Engineering student at the University of Indonesia with a passion for Quality Assurance and web development. Proficient in ensuring software quality using tools like Selenium and JIRA, alongside skills in web technologies such as JavaScript, HTML, CSS, Node.js, and Tailwind CSS. Known for a keen eye for detail, strong analytical skills, and a commitment to delivering efficient, user-friendly systems. Driven by a desire to ensure high-quality software while building responsive and modern web applications

EXPERIENCE

Feb 2024 — Jun 2024

Assistant Lecturer: Linear Algebra, University of Indonesia - Part Time

Depok

As a Teaching Assistant for Linear Algebra, I supported a class of over 50 students by grading assignments and providing detailed explanations to enhance their understanding of the material.

Feb 2023 — Dec 2023

Staff - Student Welfare, IME - Organization

Depok

As a member of the Student Welfare Division at IME, i contributed to initiatives aimed at supporting students mental health and well-being. One of our key achievements was organizing a seminar to commemorate World Mental Health Day, which successfully raised awareness and fostered a supportive community.
